This application may be executed by facsimile signature(s). Delivery of this application bearing a facsimile signature(s) shall have the same force and effect as if the application bore an inked original signature(s). The above information, together with any accompanying financial statements, schedules, or other materials, is submitted for the purpose of obtaining credit and is warranted to be true, correct and complete. The undersigned hereby warrants that any individual identified above who is either a principal, a personal guarantor or a sole proprietor of the credit applicant, recognizing that his or her individual credit history may be a factor in the evaluation of the credit history of the applicant, has his/her written authorization for inquiry into their credit worthiness, including but not limited to obtaining a consumer credit report, and shall hold Precision Technologies and its assignees, agents or nominees harmless from same. You understand that such investigation may include seeking information as to the background, credit and financial responsibility of your officers and principals (or any of them).
